Summary

A highly motivated and detail-oriented engineering pre-graduate with a solid foundation in software development and technology platforms. Strong customer focus, analytical thinking, and problem-solving abilities, combined with a critical and innovative mindset. Skilled in project and risk management, with a strong commitment to work ethics and continuous learning in a dynamic technical environment.

Projects

Plant Disease Prediction and Solution Recommendation System

Designed a predictive system to analyze plant diseases based on symptoms and visual indicators, leveraging historical data and rule-based algorithms to recommend preventive and curative solutions.

Secure Online E-Voting System Using Facial & Fingerprint Recognition

Developed a robust and secure web-based e-voting platform integrating biometric authentication via facial and fingerprint recognition, ensuring voter integrity and preventing duplication.

Certifications

- Oracle SE Java 11 Certification, **Oracle**
 - Analyzing Growth & Business Risks, **Corporate Finance Institute (CFI)**
 - Excel Fundamentals, **Corporate Finance Institute (CFI)**
 - Exploratory Data Analysis for Machine Learning, **IBM - Coursera**
 - Basic Investment Banking, **Great Learning**
 - Project Management, **Great Learning**
 - Certified International Business Management, **Udemy**
-

Experience

Shiash Infotech Solutions - ML Engineer Internship 06/2024 - 08/2024
Chennai, Tamil Nadu

TOP ENGINEERS-MIT MADRAS - Python Programming Internship 01/2024 - 01/2024

ACME GRADE - Artificial Intelligence Training and Internship 08/2023 - 09/2023

Education

Expected in 06/2026

RMK Engineering College

Chennai

Bachelor of Engineering: Computer Science, Honors in Artificial Intelligence and Machine learning
GPA: 8.22

Skills

Programming: Java (Spring Boot), Python

Database Management: MySQL (Oracle JDBC)

Data Handling: Data Mining, Data Analysis

Tools & Platforms: Microsoft Office 365 Suite, Git, Postman, MailJS

Soft Skills: Critical Thinking and Decision-Making, Leadership and Team Collaboration, Analytical and Strategic Problem Solving, Project and Time Management

Workshops

RUSA Startup Cafe 2024, Anna University

Student career COMPASS Tech Event, ICT Academy

Languages

English: Proficient

Tamil: Proficient

Telugu: Conversational
